York Art Gallery Luggage Guidelines

For reasons of safety and security York Art Gallery has a maximum bag size policy in place. If an item of luggage exceeds the dimensions of our lockers (70x35x52cm) then it is unable to be brought into the building. Please do not bring large luggage, suitcases, large backpacks or other oversized objects into the gallery. Any wheeled luggage must be deposited in the lockers. If you have luggage that does not meet these requirements then we happily endorse the use of [YorBag \(http://yorbag.co.uk\)](http://yorbag.co.uk) which is a [2 minute walk](#) from the Gallery.

In the interest of safety and security for all staff, visitors and collections, any bag or item of luggage may be searched before entry by a trained member of staff. We reserve the right to conduct bag searches randomly and indiscriminately but also if there is evidence of a valid threat to our staff, visitors or collections.

Buggies, wheelchairs and mobility scooters are welcome but may also be subject to searches.

Please do not leave any bags unattended at any time.

York Museums Trust/York Art Gallery do not take any responsibility for and aren't liable for any loss of or damage to any property left in the lockers.

These guidelines extend to all areas of the Gallery including the Café and retail spaces.

These steps are in the interest of safety and security for all and we thank you for your co-operation. York Museums Trust reserve the right to alter these guidelines at any given time, especially during periods of escalated threat levels.
